Selection panel:

President: Estela Guerreiro da Silva Bicho Erhagen, Full Professor at the Department of Industrial Electronics at the School of Engineering of the University of Minho.

Effective members: Sérgio Paulo Carvalho Monteiro, Assistant Professor at the Department of Industrial Electronics at the School of Engineering of the University of Minho and Luís Filipe de Castro e Freitas Louro Assistant Researcher at the ALGORITMI Center at the School of Engineering of the University of Minho.

Substitute members: Nelson Bruno Martins Marques Costa, Assistant Professor of the Department of Production and Systems of the School of Engineering of the University of Minho and Sérgio Adriano Fernandes Lopes, Assistant Professor of the Department of Industrial Electronics of the School of Engineering of the University of Minho.

The first effective member will substitute the President of the selection panel in case of impediment, being nominate the first substitute member in the place of the first effective member.

Criteria and procedures for applications assessment and selection: The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 0 to 5 values:

Applicant Merit - AM (100%):

A.1: Academic background, which reflects the area of study of the course and the classifications of the academic degrees (through tables A.1.1. and A.1.2. established in criteria definition minutes), with a weighting of 50%;

A.1.1: Area of study of the course, with a weighting of 50%;

A.1.2: Classifications of the academic degrees, with a weighting of 50%;

A.2: Personal CV, with a weighting of 40%;

A.3: Letter of motivation and/or other letters of recommendation, with a weighting of 10%.

The final classification of the candidate's merit will be obtained by applying the following formula:

$$MC = (A.1 \times 0.5) + (A.2 \times 0.4) + (A.3 \times 0.1)$$

$$\text{Where } A.1 = (A.1.1 \times 0.5) + (A.1.2 \times 0.5)$$

If the jury does not consider itself able to decide using the method indicated in A (AM), it may choose to carry out an Interview. In this case, the AM will have a weighting of 70% and the candidates classified in the first 3 positions, who obtain a minimum classification of 3,5 in the AM, will be admitted to the Interview phase, with the Jury proceeding with the evaluation of the following sub-criteria:

B. Interview – INT (30%):

B.1: Interpersonal skills (30%).

B.2: Demonstrated knowledge in the area of the competition (40%).

B.3: Motivation (20%)

B.4: Language skills (10%).

The final classification of the Interview with the achieved through the following formula:

$$INT = (B.1. \times 0,3) + (B.2. \times 0,4) + (B.3. \times 0,2) + (B.4. \times 0,1)$$

The final classification (FC) of the Applicant Merit (AM) and Interview (INT) will be obtained by applying the following formula:

$$FC = (AM \times 0,7) + (INT \times 0,3)$$

If none of the candidates demonstrate to have a suitable profile for the execution of the work plan, the Jury is entitled to close this call without selecting a candidate.

The academic degrees and diplomas documents, or their respective recognition when awarded by foreign higher education institutions are not mandatory in the application phase, being replaced by a declaration of honor of the candidate with the contents of academic results. The documents of academic qualification or respective recognition will be required in the contracting phase and must attest facts that occurred on a date prior to the application. In situations of divergence between the information contained in the declaration and the documentation submitted for contracting the grant, only the information contained in the latter will be considered. If the documents proving the ownership of the academic degree and diploma, or the respective recognition under the terms of Decree-Law No. 66/2018, of August 16, do not correspond to the classifications awarded in the evaluation of the academic path, which can change the candidate's ranking, the fellowship won't be contracted.

Notes: Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection panel will assign "0" in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.

Disclosure of results: The evaluation results project, based in the selection panel minutes, will be sent to the applicants by email, in accordance with article 12 of the FCT's RBI (FCT funding) | article 13 of UMinho's RBIC (other funding subject to UMinho regulations).

If case of unfavourable results, the candidates have a period of 10 working days to comment, if desired, in a prior hearing to interested parties, pursuant to articles 121 and 122 of the Code of Administrative Procedure (DL n° 4 / 2015 of January 7th). The hearing of the interested parties, if excluded, should be justified accordingly with article 124° of CPA.

Complaint and appeal procedures: The final results of the evaluation will be published through an ordered list (alphabetically, by final grade obtained), posted in a visible and public place of the host unit, as well as by email to all applicants, enclosing for that purpose, the minutes of the jury deliberations.

The selected candidate must inform its willingness to accept the grant, in writing. In case of rejection, the fellowship will be awarded to the next candidate in the ordered list of applicants.

The final decision can be contested within 15 working days, by sending to the President of the jury the corresponding claim. Interested parties may also submit an optional hierarchical appeal, addressed to the Pro-Rector with delegated competences in this area.

Constitution of a selection reserve list: The applicants ranked in the next positions on the ordered list will be included in a selection reserve list, which can be used until **31/05/2025**.

Application deadline and submission: The competition is open from **18/03/2025** to **01/04/2025**.

Applications must be formalized by sending an application letter with the following documents: curriculum vitae; qualifications certificate or declaration of the applicant; motivation letter; statement proving that meets the conditions for the grant typology, according to the application requirements; other documents important to the evaluation process).

Applications must be sent by email to recrutamento@algoritmi.uminho.pt, indicating the reference of the call for applications in Subject. Applications submitted by other means will not be accepted.

Fellowship contractualization: The fellowship will be attributed by signing a fellowship contract between the University of Minho and the fellow, accordingly with the contract minute (annex IV of the Regulation of Research Fellowships of the University of Minho (RBIC), published in Diário da República, 2nd Série, n° 119, through dispatch n° 6524/2020 of 22-06-2020, ratified by ratification declaration n° 447/2021 of 22-06-2021, as indicated in 2.4 of the FCT document: “Rules for Granting and Management of Grants within the scope of R&D projects, including infrastructure projects, the multi-annual financing program for R&D units and other FCT financing instruments (Version 2021)”.

The contract may only be concluded after all the documentation required is collected, which must take place within a maximum period of 6 months [including evidences of the academic degrees or diplomas and enrolment in degree courses or non-conferring courses, depending on the type of scholarship].

Once all the documentation has been received, the contracting entity has a period of 60 working days to conclude the scholarship contract (in the case of scholarship contracts under UMinho's RBIC, the deadline is 15 working days, under the terms of n°2 of Article 15°). Once received, the fellow must return the contract duly signed within 15 working days.

The activities under the fellowship contract can only began after proper authorization by the contracting entity.

Term and cancellation of fellowship contracts: Without prejudice to the other causes provided the fellowship regulations (FCT and UMinho) and in the Statute of the Research Fellow, the fellowship ends with the completion of the work plan, as well as with the expiration date for which it was granted or renewed.

At the end of the fellowship, the grantee is obliged to present a Final Report of the work carried out, in accordance with the objectives and evaluation criteria defined with the scientific advisor, within 30 days after the end of the scholarship.

The **final report** must be prepared in accordance with Annex I of the Scientific Research Fellowships Regulation of the University of Minho (RBIC), published in *Diário da República, 2nd Série, n° 119*, through dispatch n° 6524/2020 of 22-06-2020, ratified by ratification declaration n° 447/2021 of 22-06-2021.
