Title: Research Fellowship; 4 vacancies

Reference: CALG_APDI_GINT_05 (4)

A call for applications is now open for the attribution of 4 (four) grants for Masters within the scope of the I&D project, of Centro Algoritmi, Gestão inteligente de internamento como forma de aumentar a qualidade e eficiência - Fase A (04/SAMA2020/2019), under the following conditions:

Scientific Area: Exact Sciences

Recipient category: Masters, enrolled in the course:

- **Degree courses:** enrolled in a doctorate.
- **Non-conferring degrees courses:** enrolled in non-degree courses

Requirement for granting the fellowship:

- The applicants may apply without prior registration in the course for which the fellowship is open. The requirement to enroll in a degree course or non-academic degree course will be verified on the date of contracting the fellowship;
- Only fellowships whose selected applicants present a valid proof of enrollment in a degree course or non-academic degree course will be contracted, according to the type of the fellowship, issued by a Higher Education Institution, indicating, respectively, the academic year or its duration (start and term).

Applicants' eligibility: Candidates who meet the conditions set out in Article 8 of the University of Minho's Scientific Research Grant Regulations are eligible.

Nationals or citizens of other European Union member states, third-country nationals, stateless persons, and citizens with political refugee status are eligible to apply for this competition.

Candidate eligibility requirements:

- Candidates must have, at the time of application, a Masters' degree in the field of Engineering and Management of Information Systems;
- Candidates enrolled in a non-degree course: Candidates who exceed, with the conclusion of the fellowship contract in question, including the renewals provided for in the notice, an accumulated period of two years in this type of scholarship, consecutive or interpolated, cannot benefit from the scholarship in competition;
- Candidates enrolled in a degree-granting course: Enrollment in a doctoral program in the field of Information Systems and Technology.
- Proof of academic qualifications completed by the deadline for applications is required, in the contracting phase, including those resulting from academic degree recognition processes.
- Preferred factors: Knowledge of advanced Artificial Intelligence models using the AIDA-ABI / AIDA-EHR ecosystems in a hospital environment

Workplan and objectives to be achieved:

Work to be developed:

A1 - Implementation of intelligent models through the AIDA-ABI ecosystem to support clinical decision-making. Objectives to be achieved: Consolidation of an ABI system, at the Local Health Unit of Tâmega e Sousa.

Applicable legislation and regulations: Research Grant Holder Statute (EBI), approved by Law n.º 40/2004 of August 18, in its current wording, and the University of Minho Scientific Research Grant Regulations (hereinafter referred to as the Regulations (RBIC)), approved by Order n.º 4998/2025, published in the Official Gazette, 2nd series, n.º 81, of April 28, rectified and republished through Rectification Statement n.º 634/2025/2, published in the Official Gazette, 2nd series, n.º 132, of July 11.

Host/Contracting institution and scientific supervision: The workplan will be carried out in Algoritmi Center of University of Minho), located in the Azurém Campus, Guimarães, under the scientific supervision and the coordination of the Professor Doctor Manuel Filipe Vieira Torres dos Santos, Associate Professor with Tenure at the Department of Information Systems, School of Engineering, University of Minho.

Fellowship duration: The grant will take place for a period of **3 months**, with a provisional starting date on **February, 2026**. The fellowship grant may, eventually, be renewed up to the maximum limit allowed by the project and/or applicable legislation.

Amount of the research grant: The amount of the grant corresponds to 2 118,65 €/mês, according to the table of values of the Research scholarship of the University of Minho, updated annually, as decided by the Management Board. Payment is made on the 23rd of each month, through bank transfer to the Bank Identification Number of the fellow identified in the contracting process.

Other benefits: Reimbursement of Voluntary Social Insurance, if the candidate chooses to receive it, corresponding to the 1st level of discounts (for research grants with a total duration 6 months or higher) and personal accident insurance.

Exclusivity regime: The grantee will perform the activities under exclusivity, as foreseen in article 5º of the Research Fellow Statutes and applicable regulations.

Selection panel:

President: Doctor Manuel Filipe Vieira Torres Santos, Associate Professor with Tenure at the Department of Information Systems, School of Engineering, University of Minho;

Effective members: Doctor Júlio Miguel Marques Duarte, Assistant Researcher at the Algoritmi Research Center, School of Engineering, University of Minho;

Doctor Tiago André Saraiva Guimarães, Assistant Professor at the Department of Information Systems, School of Engineering, University of Minho;

Substitute Members: Doctor António Carlos da Silva Abelha, Assistant Professor with Tenure at the Department of Computer Science, School of Engineering, University of Minho;

Doctor Hugo Daniel Abreu Peixoto, Assistant Researcher at the Algoritmi Research Center, School of Engineering, University of Minho.

The first effective member will substitute the President of the selection panel in case of impediment, being nominate the first substitute member in the place of the first effective member.

Criteria and procedures for applications assessment and selection: The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 0 to 20 values:

A. Applicant Merit - AM (100%)

A.1: Academic background, which reflects the area of training of the course and the grades of the academic degrees (using table A.1.1. defined in the minute of criteria), with a weighting of **30%**;

A.1.1: Area of training of the course, with a weighting of 60%;

A.1.2: Grade of academic degree, with a weighting of 40%;

A.2: Personal curriculum, with a weighting of **60%**;

A.2.1: Solid knowledge within the AIDA-ABI ecosystem for the implementation of advanced Artificial Intelligence models for optimization in a hospital environment, weighting of 90%;

A.2.2: Consolidated knowledge in Intelligent Clinical Decision Support Systems based on open data models (OPEN-EHR) or with cognitive capabilities (XAI), weighting of 10%.

A.3: Motivation letter, with a weighting of **10%**.

Universidade do Minho
Escola de Engenharia

The final classification of the applicant's merit with the achieved through the following formula:

$$AM = (A.1 \times 0,3) + (A.2 \times 0,6) + (A.3 \times 0,1)$$

$$\text{Where } A.1 = (A.1.1 \times 0,6) + (A.1.2 \times 0,4)$$

$$\text{and } A.2 = (A.2.1 \times 0,9) + (A.2.2 \times 0,1)$$

If the jury does not consider itself able to decide using the method indicated in A (AM), it may choose to conduct an Interview. In this case, AM will have a weighting of 60% and candidates who obtain the minimum classification of 10 values in the AM, will be admitted to the Interview phase, with the Jury evaluating the following sub-criteria:

B. Interview - ENT (40%):

B.1: Interpersonal skills, with a weighting of **20%**;

B.2: Demonstrated knowledge in the area in the competition, with a weighting of **60%**;

B.3: Motivation, with a weighting of **10%**;

B.4: Language skills, with a weighting of **10%**.

The Interview classification (ENT) will be obtained by applying the following formula:

$$INT = (B.1. \times 0,2) + (B.2. \times 0,6) + (B.3. \times 0,1) + (B.4. \times 0,1)$$

The final classification (CF) of the Candidate's Merit (MC) and Interview (ENT) will be obtained by applying the following formula:

$$CF = (MC \times 0.6) + (ENT \times 0.4)$$

Candidates who obtain a score lower than 10 (ten) in the MC or CF classification are considered excluded from the final classification.

In the event that none of the candidates in the competition meets the appropriate profile to carry out the work plan, the Jury reserves the right to close the competition without any recruitment.

Note: Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection panel will assign "0" in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.

Application deadline and submission: The call for applications is open from **05/01/2026** till **16/01/2026**.

Applications must be submitted by email to **recrutamento@algoritmi.uminho.pt**, indicating the reference number of the competition in the subject line. Only applications submitted within the established deadline and accompanied by the following documents will be accepted:

- Candidate's updated *curriculum vitae*;
- Certificates of the academic degrees obtained or, if applicable, the candidate's declaration of honor that he/she has completed the degrees required in the notice by the application deadline (not applicable to research initiation grants).
- For degrees obtained abroad, the record of recognition of the academic degrees and record of the conversion of the respective final classification to the Portuguese classification scale must be presented, or, alternatively, a declaration of honor from the candidate (this declaration must attest to facts that occurred prior to the application. In the event of a discrepancy between the information contained in the declaration and the documentation submitted for the purposes of contracting the scholarship, only the information contained in the latter will be considered. If it is found that the documents proving the academic degree and diploma, or their recognition under the terms of Decree-Law n.º 66/2018, of August 16, do not correspond to the classifications awarded in the assessment of the academic career and may consequently alter the candidate's ranking, the scholarship will not be contracted);

Form of publication/notification of results: The results of the evaluation are published in a single list (in alphabetical order), posted in a visible and public place in the host unit, as well as by email to all candidates, attaching, for this purpose, the minutes of the jury's deliberations, within a maximum period of 90 working days from the deadline for submission of applications.

Candidates are informed, at a preliminary hearing, in accordance with Articles 121 and 122 of the Administrative Procedure Code, of the likely outcome of the final decision, and may comment within 10 working days of this notification.

An appeal may be lodged against the final decision within 15 working days, or an appeal may be lodged with the highest executive body of the funding entity within 30 days, both after the respective notification (Article 12(n°6) of the FCT Research Grant Regulations).

Within 10 working days of notification of the grant award, the applicant must declare their acceptance in writing. In case of non-acceptance, the next highest ranked applicant will be notified immediately.

Fellowship contractualization: The fellowship is awarded through the signing of a contract between the University of Minho and the scholarship recipient, in accordance with the draft contract in Annex II of the University of Minho Regulations (RBIC).

The contract can only be signed after receipt of all the documentation required for the type of scholarship, which must occur within a maximum period of 6 months, including proof of academic degrees or diplomas, as well as enrollment in non-degree study cycles or courses, as applicable.

Once all the documentation has been received, the contracting entity has 60 working days to sign the scholarship contract, in accordance with n°3 of the Article 14° the University of Minho Regulations (RBIC).

Term and cancellation of fellowship contracts: Without prejudice to the other grounds laid down in the University of Minho's Scientific Research Scholarship Regulation and in the Research Fellow Statute, the scholarship will cease on completion of the contracted work plan, as well as on expiry of the period for which it was granted or renewed.

The final report must be submitted to the scientific advisor, in accordance with the defined objectives and evaluation criteria, no later than 60 working days after the end of the scholarship and must be drawn up in accordance with Annex I of the Regulations of the University of Minho.

Non-discrimination and equal access policy: Universidade do Minho actively promotes a policy of non-discrimination and equal access, so that no candidate may be privileged, benefited, harmed or deprived of any right or exempt from any duty due, namely, to ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions and trade union membership.
